Answer: The Protestant Reformation was a major religious movement in the 16th century that challenged the authority of the Catholic Church and led to the creation of Protestant churches. Initiated by figures like Martin Luther, who criticized church practices such as the sale of indulgences, the Reformation resulted in religious, political, and cultural upheaval across Europe. Answer: European exploration profoundly affected indigenous populations through the introduction of new diseases, such as smallpox, which decimated native communities. Additionally, colonization often led to the displacement of indigenous peoples, destruction of their cultures, and exploitation of their resources.
