Optimizing PDFs for readability

Readability plays a crucial role in how users engage with long documents. Adjusting zoom levels, page layout modes, and display settings can significantly improve comfort. Many PDF readers offer features such as continuous scrolling, two-page view, and night mode. These tools help tailor the reading experience to individual preferences when exploring *Composed Upon Westminster Bridge September 3 1802*.

Font clarity and contrast also affect readability. PDFs with clean typography and sufficient spacing reduce eye strain during extended reading sessions.
